# SR-163 Sewer Pipeline Rehabilitation CONSTRUCTION ADVISORY

Partial and Full Closure of State Route 163 through May 28<sup>th</sup>

## Updates for the week of March 28, 2011

**What:** There will be no lane closures of SR 163 the nights of Wednesday, March 30<sup>th</sup> and Thursday, March 31<sup>st</sup> as part of the sewer rehabilitation project.

### **Weekend Full Freeway Closure is Still Scheduled**

Friday, April 1<sup>st</sup> through Sunday, April 2<sup>nd</sup>

Full closure, north and south bound

11:00 p.m. – 9:00 a.m.

**No closure on Sunday night.**

**Where:** From Interstate 8 to A Street. For a detour map and alternate routes, visit the [project's Web page](#).

**Why:** The 45-year-old Cabrillo Trunk Sewer that runs through Balboa Park along State Route 163 is in need of rehabilitation after damage caused by age, tree roots and breaks. This project will restore the structural integrity of the pipe, inhibit root infiltration, reduce maintenance costs, and extend the life of the sewer main for another 50 years.
